## “DON BOSCO’s distinguished style of learning and progress”

Don Bosco Group of Institutions (DBGI) are located on a sprawling 36 acres campus in the sylvan south west suburb of the city of Bangalore, on the Bangalore - Mysore national highway. The campus has excellent imposing buildings with spacious class rooms, laboratories with the state of the art equipment and other excellent infrastructure facility. Each program is comprehensive to deliver the value with sufficient inputs to the students to embark on a professional career. Apart from providing core inputs related to the specific program, the students are provided additional training programs to develop their professional competency through various academic seminars, workshops and extension lectures. The provisions have been created to obtain additional certifications in the area of soft skills, quality benchmarks and IT skills. Each student is prepared for placement on a continuous basis through pre-placement and final placement activities as per the corporate standards.
