Interactive FDP session
On

**“TEAM'O'LOGY 2016 - The Science & Technology of
Leadership & Teamwork”**

Monday, 26th September, 2016

Organized by

Department of Management Studies & Research

Don Bosco Institute Of Technology Bangalore- 560 074

Prepared By

Prof. VISHNU PATIL

Assistant Professor, MBA

DBIT, Bangalore

About the Program:

On 26th September, 2016 the MBA Department had organized a leadership training program focused on team building. The session was held in SH1 from 11am to 1:30 pm. **Mr Ujval Shankar**, co-founder of **TEAM WORK** oversaw the program with his assistant In the presence of Head of Department and other faculty members.

The session started with the formation of team and then proceeded with the selection of Team leader and Time manger based on the color selected from the box.

The activities included are:

- a- Selection of Global leader by each team
- b- Outline the most important characteristics and contribution of the Global leader
- c- Outline the Characteristics of a good team
- d- Presentation of Team and Global leader
- e- Card Game, Play and Win with different strategies
- f- Answering questions from The News Paper. Time factor included

Learning and take away

- Time Management
- Division of work
- Clear and distinctive strategy
- Team Building
- Initiative
- Team work
- Communication, cooperation and networking

Activities:-

Mr. Ujval Shankar divided participants into small group i.e. each group consist of (10 members) where each members are asked to pick up a toy from based on the toy colors the each group and out of 10 members in a group, 1 members is made as team leader and another members is made as time keeper.

Pic 1: Participants and faculty members along with resource person

- A sheet of paper was distributed to all the participants. By closing eyes the participants were made to fold and cut paper based on instruction given by Ujval Shankar this was made to know that each person mind set and thinking is unique.
- A cardboard was distributed to each group where the name of the group and the members name and their strength was mentioned.
- A newspaper was given to each group and a set of questions was given using the newspaper the participants found out answer for the questions within target time.
- The game of stone, paper was conducted by given each member's 4 set of cards where it was used as currency and this was made to know how much the teams can win or loss cards.

Experience:-

The team work & team building workshop was a wonderful event where all the participants were shuffled and made to work in group by considering each one's idea it improved us to get mingle with each other.

By having healthy competition this made us to improve our speed knowledge ability in completing a particular work the use it opportunity for us to improve our strength by being more confident in doing all the work in a challenging way.

Trainers Profile:

➤ Ujval Shankar

Ujval Shankar is a HR professional, Team Building coach. Also Founder – Teamwork's academy – one of India's best team building, team bonding and leadership development institute. He is also a certified faculty trainer of art of living stress elimination programs. He is one of the India's best team building coach and a specialist. He has hosted and

conducted more than 500+ training workshops for corporate and academia in the field of Team Trainings & Team Building workshops. Sir has over 15 years of experience in hospitality, training and development, employee engagement and relation. He has also won many awards and recognitions in training and development.

Feedback:

In conclusion, it was a fun, informative and learning session. We have the chance to interact with our guesses as well as our juniors. It personally helped me build a better network with industry people and professionals.

Our Gratitude goes towards the department and the trainer. Special thanks to the organizer Professor **VISHNU PATIL** who was the forefront of the seminar.

Mr. Ujval Shankar gave a brief introduction of how to build team and work in teams and how the team leader and the time keeper of the team should guide the members where work will be done in the targeted time.

Conclusion:-

But the session was only for 2hrs 45mins we could learn some more important concept of team building and team work if the session would have been to 4 or 5hrs this was very useful and wonderful experience to learn and improve our ability of team work.

Number of Participants:

There were 70 participants in the program.

Valediction:

After successful completion of session mentioned above, Ms. Divya Shree R, Second Year MBA student, proposed the vote of thanks for the gathering. Prof. SriHari, Assistant Professor has speaker gratitude by handing over memento.

Entrepreneurship Awareness Camp (EAC)

20th - 22nd Feb, 2017 at Bangalore

Sponsored by
National Science & Technology Entrepreneurship Development Board (NSTEDB)
Department of Science & Technology (DST), Government of India

Organized by
Entrepreneurship Development Institute of India (EDII)
Ahmedabad

In Association with
Don Bosco Institute of Technology,
Bangalore

About the program:

The National Science & Technology Entrepreneurship Development Board (NSTEDB), Dept. of Science & Technology, Govt. of India has appointed Entrepreneurship Development Institute of India (EDI) as its National Implementing & Monitoring Agency (NIMAT) for the programme.

With a view to expose students as well as faculty of academic institutions, offering degree/diploma courses in S&T, to entrepreneurship as an alternative career, Entrepreneurship Awareness Camps (EACs) are conducted by nodal agencies in each State/Union Territory of the country. The implementing agency is usually either an educational institution or a professional body specializing in entrepreneurship development.

Each Camp, of 3 days duration, is conducted in the premises of an academic institution and aims at creating awareness among students about various facets of entrepreneurship while highlighting the merits of pursuing such a career option. In each EAC, about 75 students are exposed to different aspects of entrepreneurship, including opportunity guidance, services offered by agencies of support system etc. A visit to the industries located in the region is also arranged to bring the students in direct touch with practicing entrepreneurs.

Program Objective

To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option.

Target Group

Students from various departments had participated; more than 80 students were participated in the program.

Program Schedule:
